By using this Site you are consenting to the collection, use, and disclosure of your Personal Information as set forth in this Policy. If you do not agree to be bound by this Policy, you may not access or use this Site.

### **This Policy is Part of Our Terms of Use**

This Policy is part of the Terms of Use that govern your use of this Site. A link to our Terms of Use is provided at the bottom of each page of this Site.

### **Privacy Notices**

This Policy may be supplemented or amended from time to time by "privacy notices" posted on this Site. These Privacy Notices provide a level of detail that we cannot provide in this more general description of our privacy practices. For example, certain pages of this Site may contain Privacy Notices providing details about the information we collect on those pages, why we need that information, and choices you may have about the ways we use that information.

### **Types of Information We Collect**

*Information You Manually Provide.* Portage Crossing collects the information you manually provide (using your keyboard, mouse, or touchpad) when you use this Site. For example, we collect the information you submit when you register with this Site, participate in a contest, sign up for our newsletters, comment on a news item, or contact us with questions. Some of the information you manually provide may be Personal Information, such as your name and contact information.

*Information From Third-Party Social Media Platforms.* You may be able to register with, log on to, or enhance your profile on this Site by choosing to automatically populate the requested data fields with information you previously provided to a third-party social media platform (such as Facebook or Twitter). By doing this, you are asking the third-party platform to send us information, including personal information, from your profile on that platform. We treat that information as we do any other information you give to us when you register, log on, or enhance your profile.

*Information Sent to Us by Your Web Browser.* We collect information that is sent to us automatically by your web browser or mobile device. This information typically includes your IP address, the identity of your Internet service provider, the name and version of your operating system, the name and version of your browser, the date

and time of your visit, and the pages you visit. The information we receive may depend on your browser or device settings.

The information we receive from your web browser and/or device is not, in and of itself, personally identifiable. Generally, we use this information in the aggregate to help us improve this Site and make it more compatible with the technology used by our visitors. However, we may combine it with other information in an attempt to identify you or we may combine it with information that does identify you. We may also review our server logs for security purposes—for example, to detect intrusions into our network—and we might share our server logs, which contain visitors' IP addresses, with the appropriate investigative authorities who could use that information to trace and identify you.

**Information Collected by Cookies and Other Technologies.** We use "cookies" and other technologies to collect information and support certain features of this Site. For example, we may use these technologies to:

- collect information about the ways visitors use this Site—which pages they visit, which links they use, and how long they stay on each page;
- support the features and functionality of this Site—for example, to save you the trouble of re-entering information already in our database or to prompt the settings you established on previous visits; and
- personalize your experience when you use this Site.; and
- improve our marketing efforts, including through use of targeted advertising.

The information we collect using cookies and similar technologies is not, in and of itself, personally identifiable, but we may link it to personal information that you provide. If you do not wish to receive cookies, you may set your browser to reject cookies or to alert you when a cookie is placed on your computer. Although you are not required to accept cookies when you visit this Site, you may be unable to use all of the functionality of this Site if your browser rejects our cookies.

*Your Location.* Using GPS technology, and with your opt-in consent, we may also collect precise, real-time location information from your mobile device and use that information to deliver tailored content through this Site. For example, if we recognize that you are near a particular shopping center, we may send a message to your mobile device letting you know about a sale taking place at that shopping center. We may also share information about your location with your friends and other contacts, to the extent you interact with them using the social networking tools available on this Site. Assuming you have consented to our collection of location information from

your mobile device, our mobile website may collect such information even if you are not logged into it.

Your mobile device may allow you to adjust your settings so that location information is not available to any mobile website or application. If you have questions about the security and privacy settings of your mobile or tablet device, please refer to instructions from your mobile service provider or the manufacturer of your device.

The information we receive from your mobile device is not personally identifiable, but we may link it to information that identifies you.

### **Third-Party Cookies**

In addition to the cookies Portage Crossing delivers to your computer through this Site, certain third parties may deliver cookies to your computer for a variety of reasons. For example, we use Google Analytics, a web analytics tool that helps us understand how visitors engage with this Site. To learn more about Google Analytics, [click here](#).

Other third parties may deliver cookies to your computer for the purpose of tracking your online behaviors across nonaffiliated Web sites and delivering targeted advertisements either on this Site or on other Web sites.

You have choices about the collection of information by third parties on this Site. For example, if you don't want information about your visit to this Site sent to Google Analytics, you may download an Opt-out Browser Add-on by [clicking here](#). Please note that the Add-on does not prevent information from being sent to Portage Crossing. In addition, if you would like to opt-out of having interest-based information collected during your visits to this or other sites, please [click here](#). You will be directed to an industry-developed Web site that contains mechanisms for choosing whether each participating entity may collect and use data for online behavioral advertising purposes. It may be that some of the third parties that collect interest-based information on this Site do not participate in the industry-developed opt-out website, in which case the best way to avoid third-party tracking of your online behaviors may be through your browser settings and deletion of cookies.

Unfortunately, no website, server or database is completely secure or "hacker proof." We therefore cannot guarantee that your Personal Information will not be disclosed, misused or lost by accident or by the unauthorized acts of others.

### **How We Share Your Personal Information With Others**
